The Ministry of Environmental Protection and Natural Resources of Ukraine presents its compliments to the Ministry of Environmental Protection, Water and Forests of Romania and in response to the letter dated 18.06.2024 № DGEICPSC/18660/MF/18.06.2024 provides answers to the questions of the Romanian Party regarding the proposed activity «New construction. Fuel fabrication facility» of JSC «National Nuclear Energy Generating Company «Energoatom».

Separately, we note that according to the results of the provided calculations, no negative transboundary impacts on the territory of neighboring states, including Romania, has been identified.

We kindly ask you to present as a statement if there are, in your opinion, indications of the possibility of a significantly negative impact on the territory of your country as a result of the proposed activity.

The Ministry of Environmental Protection and Natural Resources of Ukraine avails itself of this opportunity to renew to the Ministry of Environment, Water and Forests of Romania the assurances of its highest consideration.
